When going abroad...

Parents must commit to payment for the full year. If a student is temporarily withdrawn (e.g.: for a trip to France), normal fees still apply to hold the place of the student. This does not affect our promise to the transferable Commitment Fee (see Registration and Commitment Fee above).

If you are going abroad, please ensure payment is made by the due date so it does not affect the School and so that you do not incur late charges (see next page for details - Late Payment of Fees)

Registration and Commitment Fee

The registration process will take place in 3 steps: completion of an Enrolment Form, a successful interview with the Principle granting a place in the school and payment of a Commitment Fee of \$300*, which is **non-refundable**.

This transferable sum will be deducted from the last term fee (Term 4) provided the student stays in continuous schooling over the 4 full terms.

If you find it necessary to break the 4 Term agreement, you agree to forfeit your Commitment Fee. Should you wish to enrol a student again in the same year, a new commitment fee of \$300 will apply on the same terms as above.

* **NOTE** : Commitment Fee for Saturday morning classes is \$200.

Booklist :

FSP will buy all the books and stationary your child will need. You will be charged an extra \$85 (maximum) to cover those costs; this amount will be confirmed in January 2010. This will save you from going shopping and save the school from having extra pens and scrapbooks... This decision was made by the Parent's Association in 2009.

Fee Concessions

- A 10% discount is applicable for all subsequent members of a student's family in attendance at the School in the same calendar year.
- Discount applies to the child whose annual fee is less than the other(s).

Payment Methods

* Cash, Cheque (made payable to French School of Perth Pty Ltd)

* Electronic transfer (Bank: Westpac - Name: French school of Perth Pty Ltd - Branch: 036084 - Account number: 270327) **Payments made electronically must carry the name of the child you are paying for.** It will be assumed that your payment has not been received should you fail to include this reference (See Late Payment of Fees below). We regret we cannot accept Credit Card payments.

Late Payment of Fees

- Payment is due in the French School of Perth Pty Ltd bank account 5 weeks prior to the 1st day of each term as detailed in the Payment Options. Therefore you should start an electronic transfer at least 6 working days before the due date.
- Failure to include the name of the student in electronic transfers will prevent us from knowing who has enrolled, which will incur a non-refundable and non-transferable late payment fee.
- If a cheque payment is attempted but the amount does not reach the school's account due to a lack of funds, the cheque owner is liable to pay the bank fees incurred by such transaction. This will also result in late payment fees, depending on when your final payment is received.
- Should your payment be received on the day following the due date and up to the Friday of that same week, the School will automatically add a 10% charge of the Term fee each week ending on a Friday following the due date. This percentage will be added up to and for a maximum of 3 weeks (starting every Monday), after which the School reserves the right to deny access to the classroom to the student concerned (**e.g.**: 1 Trimestre @ \$577.50 @ 10% = \$57.75 per week for a maximum of 3 weeks) until cash payment has been made.
- Should you encounter financial difficulty, please speak to Isabelle Gault immediately to discuss and resolve the issue. Such matters will be treated in the strictest confidence.
- It is important that parents pay fees on time so we in turn can pay our teachers and classroom providers.
